JUDGING CRITERIA

HOW WILL THE EVENT BE JUDGED?

The judging panel will consist of 3 x highly experienced judges following the International judging criteria. The scoring scale will be set on the overall performance level of the competitors in each round and age division.

Competitors are to upload their best Wave/Aerial/Barrel/Best Wipeout for the judges to evaluate.

The judging panel will be focusing on 3 key elements;

PROGRESSION & INNOVATION

The primary focus for the Judges will be progressive and innovative manoeuvres on each wave that is submitted.

POWER

The Secondary focal point that the judges will be looking for are visual signs that display power (Rail, Spray, & Speed) on each wave that is submitted.

PRECISION

The Final focal point that the judges will be looking for are timing and precision in the critical sections on each wave that is submitted.
